## UNCOMPROMISED SECURITY ON BOARD

- Safe and comfortable maneuvering in the bow & cockpit area thanks to spacious design. High free boards offer optimal safety for kids and adults.
- Anti-slip and easy access to and out of the water via the stern side of the boat in 3 steps.
- Easy access from cockpit to bow via wide steps.
- Convenient placed handgrips throughout the boat ensure stability and extra safety when moving around the boat

## FEATURES & BENEFITS

### COMFORTABLE CABIN

- Easy cabin access via a folding cabin door.
- Plenty of lighting and ventilation is guaranteed through the large foredeck hatch deck.
- Ample storage possibilities below berth helps keep everything neat and tidy
- The double berth is equipped with cabin cushions and light and allows you and your family to relax and rest comfortably

### VERSATILE COCKPIT

- Spacious and flexible cockpit with U-seating that can be converted to dining area and large sun lounge.
- The real teak dining table is easy to deploy and can easily be stored in a dedicated storage area below the deck. By pivoting the driver and co-driver seat you can easily sit 6 people at the dining table.
- A 12v cool box assures chilled food and drinks are always on hand even on the longest, warmest days
- Integrated floor draining will ensure the cockpit stays dry.
