UNCOMPROMISED SECURITY ON BOARD

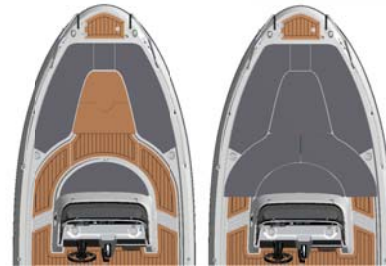

- Good cockpit depth for a secure feeling on board, even with young passengers thanks to the generous freeboard
- Easy access to the water via the stern side of the boat in 3 steps over the transom
- Conveniently placed handgrips throughout the boat ensure stability and help you to get on and off the boat easily

FEATURES & BENEFITS

VERSATILE BOW SEATING WITH TABLE AND LOUNGE CONVERSION

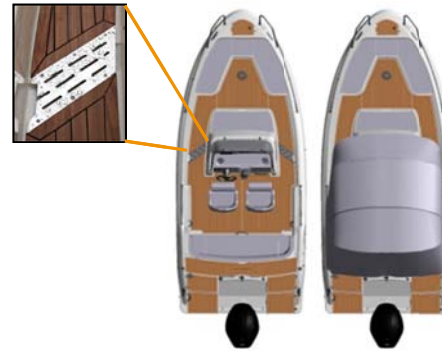

- Spacious U-shape bow area to relax and socialize
- Convivial optional cocktail dining table that seats 6 persons and which simply packs away when required to leave space to stretch out in the sun, converts into a luxurious sun deck, making the perfect environment for relaxing family trips and a sporting day out with friends
- Forward facing seating in the bow section

COCKPIT PROTECTION

A great canvas design for maximum comfort in all weather conditions:

- Integrated water management system in the deck floor makes sure you keep the cockpit dry even with intense rain
- The canvas storage is located below the top step of the stern and is easy to deploy. Once deployed, the cockpit becomes an enclosed area that is totally protected against the rain.

A WEALTH OF STORAGE SOLUTIONS

- **1.** The fully enclosed canvas packs neatly away underneath the top step at the rear of the boat thanks to its integrated canvas storage system which also provides dedicated storage space for the navigation lights and ski mast.
- **2.3.4.5.** A total of 4 storage compartments underneath the steps over the transom area to store the anchor, mooring equipment such as fender and ropes. The swim ladder is also integrated underneath the steps
- **6.** Underneath the rear seats you will plenty of space to store away water ski equipment and other accessories
- **7** Best in class console storage; no other boat in this size range will give you as much storage possibilities
- **8.9.10** A wealth of storage underneath each of the bow seats and bow line locker
